

PrivaSphere Secure Messaging

Quick Register

1. Dopo aver inviato un Secure Message a un destinatario che non è ancora registrato a PrivaSphere, esso riceve un'e-mail di notifica:

Il destinatario deve seguire il link allegato; il suo browser si aprirà e mostrerà la maschera per inserire il codice di sblocco del messaggio (MUC).

2. è possibile registrare un nuovo account facendo clic su "Quick-Register new user".

PrivaSphere - Pick up your confidential e-mail

To read the confidential e-mail (Message-ID: 088) please enter the **Message Unlock Code (MUC)** below. You received the MUC from the sender by SMS/phone or in person.

Still not received the MUC ? Remind the sender per [secure form](#).

Please enter: MUC (Message Unlock Code) - (minimum length 5 characters)

Login

PrivaSphere is a secure delivery platform for electronic correspondences recognized by the Swiss Confederation.
